President's Message

Greetings and Happy 2013!!

Where did 2012 go so quickly?! The club had another successful year, although perhaps more routine than 2011 which included the biennial conference. As an aside, in case you are planning your summer vacation, consider the 2013 conference being held July 19-26 in Cullowhee, NC. More details will be available in early spring.

Starting in January 2012, seven new individuals joined the Board. These folks brought a lot of talent and creativity to the table. At our November general meeting, 4 individuals, 3 new and one incumbent, were elected. Lori Ando graciously agreed to serve as trail maintenance supervisor for another term. Joining the gang is Larry Kidd as website chair, David Prestia as vice president, and David Grimes as outreach. I must say based on the inquiries and questions asked at the December board meeting, these new folks will be bringing some new ideas and energy to your Board of Directors. I would be remiss in not thanking those who stepped down - Kimberly Lawrence and Jan Taylor. Their contributions were greatly appreciated. I hope they will continue to be active members of the club.

As you might recall, we have been seeking a candidate for the outreach position for quite some time. In early June, David Grimes offered to represent the club at the August Volunteer Leadership Workshop. I have the distinct impression that the speakers and theme of this workshop ignited the enthusiasm David has already been applying to his new position. He was hard at work developing an outreach program before he would agree to take the position.

Summing up some of the events of 2012, there was good participation on the monthly maintenance trips, although we are still struggling with the need for section overseers. The club received a significant amount of safety equipment and chainsaw gear through grant funds obtained by the USFS. This grant was linked to Public Lands Day and the AT Family Day hike, which was held on our section within the national forest. That family hike seemed to go well. I'm hoping we can have more this coming year and not just on the last Saturday in September. The weekday hikes have been wildly successful. Weekend hikes have increased but could still use a boost. The club sponsored Scout Venture Crew had a good first year. They are good to go for another. I'm hopeful we'll see the crew a bit more involved in some of the club activities this year.

Alice and Tayloe have been doing a great job as membership co-chairs. Our membership level has slightly increased through their tenacity in following up with old and new club members who might be falling a little behind in paying dues. I believe that Alice always travels with membership forms. One never knows when an opportunity might present itself for a potential new member!

I'm generally not one for making New Year's resolutions. However, I've decided to give the following a try in 2013. I intend to lead at least 4 hikes, participate on at least 4 of monthly maintenance trips and one day with Konnarock, and I'll be more diligent in helping Fran as her assistant as a section overseer. So is anyone else up for the challenge?! Guess we'll see in the November/December Walker how well I fared.

I hope everyone has a wonderful, safe, and prosperous New Year!

Happy Trails!

Theresa
